## President's Report – Warren Ripple

Well, it sure feels like summer! Just a reminder; we will have no more business meetings until our annual picnic on Sunday, August 6 at Wingfoot Lake State Park. When we resume our normal Tuesday evening business meetings, please note that they will be held at the Spaghetti Warehouse in Akron. We will be meeting in the area near the bar, to your immediate left as you enter the restaurant. Also, last year we had a combined Chili Cook-off and business meeting in November at Houston Hall. This year, Teresa Gifford has again volunteered to handle a November Chili-Cookoff, and we look to combine the cook-off with the business meeting in a similar fashion.

There are some other potential changes coming to the Goodyear Ski Club. We will be changing the amount of the club's annual donations to charities, and we will be considering changing the annual club dues and the costs for receiving printed newsletter copies through the mail. These changes are needed to reduce the annual decline in the club's financial account balances.

Cleveland Metro Ski Council (CMSC) has their new website up and running ([www.skicleveland.com](http://www.skicleveland.com)). If you take a look, you may notice that the new website is more attractive than the old website, but that information on the CMSC clubs is a bit out of date. CMSC plans to roll out training for each of the clubs this month and next (no specifics were available at the time of this writing). After members of each individual club have been trained, each club will be held responsible for maintaining their own information – which is the information on the CMSC website seen by clicking on the "SKI CLUBS" button.

Greg Dyer has organized a financial audit for Tuesday, June 6, and I have organized a review of the Constitution and By-Laws for June 26. Planning of ski trips and the August picnic continues. Check your newsletter for details on our summer events. Enjoy the summer!

## Trip Officer's Report – Jim Kovach

Good news for Goodyear Ski Club members!

Planning for our western trips for 2018 has progressed through the bidding phase, and we have chosen our venues. We looked at many areas using several tour operators for the best pricing at the best dates. Finally, we found what we were looking for. *(continued)*

**There will be no  
GSC business meetings  
during June and July.**

**Hope to see you at  
the GSC family picnic and  
other summer events.**

We will be heading to Whitefish, Montana for the week of January 14-20 and then to Copper Mountain for a shorter 5 night/4 day ski trip at the end of February. Pricing for our members is still being worked out, but I think you will be very pleased at the costs on both trips. We will publish our pricing and begin taking applications next month.

There is a possibility for a combined eastern trip with Suburban Ski Club to Killington and Okemo in late January/early February. More details on that will be available in July.

Because of the response to Teresa's trip to Holiday Valley and the Inn last year, we have already booked the corresponding Valentine's weekend for 2018. This time we will be adding an extra night to the package, staying Sunday and Monday nights and making skiing available for Sunday, Monday and Tuesday while we are there. Pricing will be available when Holiday Valley finalizes their rates.

We are hoping to make one-day trips to Holimont and Seven Springs and to fill the bus for each.

I hope this will give you something to think about over the summer and that you will start making plans for a great GSC 2018 season. – **Jim Kovach**
