Officer Reports

President – Rick Beagle

It's that time again, food, drinks and a good time at our Christmas party. The club buys some prizes and members donate baskets. We will raffle these and a one-night lodging at the Wingate with two lift tickets for Holiday Valley and other lift tickets. Hope to see you there!

Secretary – Betty Wise

The Holiday Party will be on WEDNESDAY, December 11, NOT on Tuesday as we usually do. Any donations to the basket raffle would be appreciated. Please contact Rick Beagle.

The January 14, 2020 meeting will be held at the Honeymoon Grille, 3458 Manchester Rd., Akron, OH 44319. Officer meeting at 6 PM - General membership meeting at 7 PM. Please note the new time schedule. We are going to try this place out and see if it will work for our club. Check out [Honeymoon Grille.com](http://HoneymoonGrille.com) for additional info.

Vice President – Randy Grether

As the year comes to an end, we had a very GOODYEAR for our Club. All the great activities we had on and off the slope including the recent chili and soup competition last month at Houston Hall organized by Teresa Gifford. See her report in this newsletter. I hope everyone had a chance to get to the Civic Theatre for the Warren Miller film. We are looking forward to seeing everyone at the Christmas party at Houston Hall and the next day, Thursday, at Pickleball down in the valley at the Towpath Tennis Center, thanks to Mike Neag.

A very big thanks for all the volunteers this year that made all the activities happen!

Heavenly Trip – Mary Beth Grether

We have a few spots left for our March 8-13 Heavenly at Lake Tahoe trip. We will need to release any unused seats, so don't wait until the Christmas party to sign up. Give me a call, and we'll make the arrangements. They are expecting 10 inches in the next few days. Just think how much they will have with nearly 100 days for it to snow.

Heavenly flyer and trip agreement are on pages 9 and 10.

Chili & Soup Cookoff ~ Teresa Gifford

Once again, a year has passed, and we are already in November, which means our annual Chili & Soup Cookoff meeting was held on Friday, November 8 at Houston Hall. If you missed it, that was too bad, because there were some different entries this year that were absolutely fabulous!

The pots of chili that were entered this year were outstanding! Linda Slicker changed it up this year and entered a Cheeseburger Chili along with the side fixings of shredded cheese and pickles, sounds strange but it was so tasty that she found herself winning the first-place prize of \$24. Lonnie Landers entered his scrumptious chili and won the second-place prize of \$18. Betty wise also entered her chili and went home with the third-place prize of \$14. All three entries tasted great on a cool November evening.

For the first time ever, Chris Gifford decided to make soup. I have known him for 15 years now and have been married for 10 of those years, and never has he once made soup for us. Chris entered a Cream of Broccoli soup that was just fabulous! So good that he took the first-place prize of \$24. The second-place winner for the soup entries went to Helga Beke with a good old-fashioned Pea Soup. Her entry was a hit, and if you didn't get a sample right away, you literally had to scrape the leftovers out of the crock pot! Less cleanup for Helga when she got home, but she ended up with the second-place prize of \$18. Mary Beth Grether entered a wonderful pot of Stuffed Cabbage Soup; her entry had her going home with the third-place prize of \$14. There was a fourth soup that I had entered; it was a Chicken Bisque. All four soups were very delicious and made you warm on the inside!

Some members who didn't want to enter a chili or soup brought some appetizers and desserts to share; those were a great start and end to the samplings of chili and soup.

I want to thank everyone who made it out that night for this fun annual event for the club. Thanks to all who entered chili or soup and thanks to those who brought appetizers and desserts. I also want to thank those who helped set up and clean up for the event.

Hope to see you all at the Holiday Party, which will be at Houston Hall on Wednesday December 11; that night is also a fun night to attend, so don't miss out!

Thanks!

Teresa

Pickleball

Pickleball is a paddle sport for all ages and skill levels. The rules are simple, and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players. Pickleball combines elements of tennis, badminton and ping-pong on a badminton-sized court with a slightly modified tennis net. The game is played with a paddle and a plastic ball.

Holiday Valley/Holimont Trip – Betty Wise

Come join the club for a wonderful two-day ski trip to New York on February 23–25, 2020. The past several years this trip has had great ski conditions, a fun group of people, plus the Wingate Hotel in town is centrally located to several restaurants and unique boutique shops in town. The hotel also includes a nice buffet breakfast at no additional cost.

There is a nice little restaurant/bar across the street, and the owner has given the club a 10% discount previously (no guarantee yet for this year...but you know I will ask!!) It seems that the local Ellicottville Brewing Company is always a hit for members and just a short walk from the hotel. One evening, for those that want to participate, some generous members will bring along food to share for dinner in the hotel banquet room. Don't miss this opportunity for a fun two days together with friends—or to make new friends—skiing, eating, etc. What could be better than that???

There is still lots of room for you to sign up and join in the fun of skiing one day at Holimont Ski area, and the second day at Holiday Valley (everyone's favorite NY ski area). If we don't get enough people signed up soon, the bus and trip will need to be cancelled! OH NO!!!

The cost for the trip includes round trip bus fare, transportation to and from the ski areas, 2 nights lodging and 2 days of skiing, and is only \$325 for members...\$10 additional for non-members. Such a deal!!

Enjoy two great days of skiing at Ellicottville without the usual weekend crowds.

SUNDAY, FEBRUARY 23 – TUESDAY, FEBRUARY 25, 2020

We will depart from the Walmart parking lot at 2887 South Arlington Road at noon on Sunday. We'll stay at the Wingate in Ellicottville on Sunday and Monday nights and enjoy their free hot breakfast buffet both mornings. We will ski Holimont on Monday and Holiday Valley on Tuesday. On Monday evening we will have a party room for a potluck dinner. Please bring a dish to share.

Make checks payable to Goodyear Ski Club. Mail payment and signed trip agreement to trip leader.

Big Sky Trip Update – Thurl Carmany

The Big Sky trip is full. The last two spots were filled recently. Due to a few cancellations, everyone on the waiting list is now on the trip. As I announced at the November business meeting, we had an unfortunate situation occur with the airfare on American Airlines. That caused us to make a difficult decision to change our air travel to United Airlines which resulted in an increase in the cost of the trip. We are back on track and anxiously awaiting this trip as we haven't been to Big Sky in several years.

Big Sky offers 5,850 skiable acres with 36 lifts and 4,350 vertical feet. This resort is proud to offer the most consistent snowfall in the Northern American Rockies. Big Sky is also proud of little to no lift lines which means more skiing every day. Big Sky Ski Patrol has designated some ski trails as "Triple Black Diamond" runs. This is a first for North America and the intent is to raise guest awareness of skiing "high consequence" terrain. The triple black diamond trail rating is used as a communication tool to encourage conservative skiing with a focus of skiing in control. Be safe out there.

Assistive Ski Technology at Big Sky

Elevate is a robotic exoskeleton designed to offload weight from quads and knees to enable seasoned skiers to continue to enjoy the sport they love free of discomfort. See detailed information at www.explorebigsky.com/new-ski-assistive-technology-coming-to-slopes-this-season/31705

Roam Robotics will have a designated space in the Big Sky Demo Shop, located in the Snowcrest Building, with a representative stationed in the store throughout the ski season. You can take a 2-hour test drive for \$25. See www.roamrobotics.com/ski for details and to make online reservations.

Ski Resort Improvements for 2019-2020

Seven Springs has added three snowmaking stations at the bottom of North Face, mounted fan guns on Wagner Slope and near the top of the Polar Bear Express, and also added six new HKD tower guns. Nearly 5,000 feet of aging 20-inch pipe was replaced with brand new 20-inch FBE piping. As the main snowmaking water source for the Front Face, this major project greatly improves consistency in water pressure and overall snow quality across a vast swath of the resort's skiable acreage.

Holiday Valley has undergone \$3.3 million in upgrades for the 2019-20 winter season. Highlights include expanded snowmaking, a new groomer, glade improvements, LED slope lighting Phase I and a new website. Holiday Valley's powerful snowmaking system was expanded with 107 new HKD low energy Impulse snowguns. These were installed on Bear Cub, Maple Leaf, Falcon, Champagne, Mistletoe, Independence, Boomerang, Shamrock and Northwind.

Big Sky, Montana – Four new snowcats will debut on the mountain at Big Sky this winter season. The new snowcats will allow Big Sky's grooming team to increase nightly groomed acreage by approximately 16 percent, including regularly groomed runs, and adding a few new trails to nightly grooming operations.

Heavenly Mountain Resort has made improvements to the mountain with a widened transition run from California to Nevada, a Galaxy Chair upgrade from a double to triple lift, and new snowmaking capabilities including 48 high-efficiency snow guns along Nevada and Boulder trails. Guests can also try the new guided Winter UTV (utility task vehicle) Tours for ways to experience Heavenly's slopes and viewpoints.
